

ALEF BET CLOTHESPIN CARDS PARENT/TEACHER GUIDE

Shalom and *todah* (thank you) for purchasing **The Kefar's Alef Bet Clothespin Cards!**
There are four full-color cards on each page (one page per letter).

TO USE AS CLOTHESPIN CARDS, print on card stock, cut apart, and give to your little learners with clothespins. Learners pin a clothespin onto the first letter of each image (i.e. *Alef* for *Aryeih*, *Ayin* for *Anan*). This activity teaches **letter recognition**, **initial letter sounds**, and **vocabulary words** such as foods, animals, and common objects, while promoting the development of **fine motor skills**. Pair these cards with [The Kefar Tiny Alef Bet Books](#) to help reinforce the letters and vocabulary!

TO USE AS MATCHING CARDS, print two copies each of the desired pages on card stock, cut apart, shuffle and spread out face down. (I recommend starting with 4-8 cards for younger learners.) Players take turns flipping over a card, identifying the image and its initial letter, then trying to find its match. If the cards match, the player keeps the pair and takes another turn. If the cards don't match, turn them both back over, and it's the next player's turn. The game ends when all the matches have been collected, and the player with the most matches wins. This activity teaches **letter recognition**, **initial letter sounds**, and **vocabulary words** such as foods, animals, and common objects, while encouraging and strengthening **memory recall**.

I'd love to see pictures of your Hebrew learners in action! Post to Instagram with the hashtag **#AtTheKefar** and tag **@thekefar**, or email photos to info@thekefar.com, and get **10% off** your next order! If you have any questions or feedback, share that too - I look forward to hearing from you, and thank you again for supporting The Kefar!
